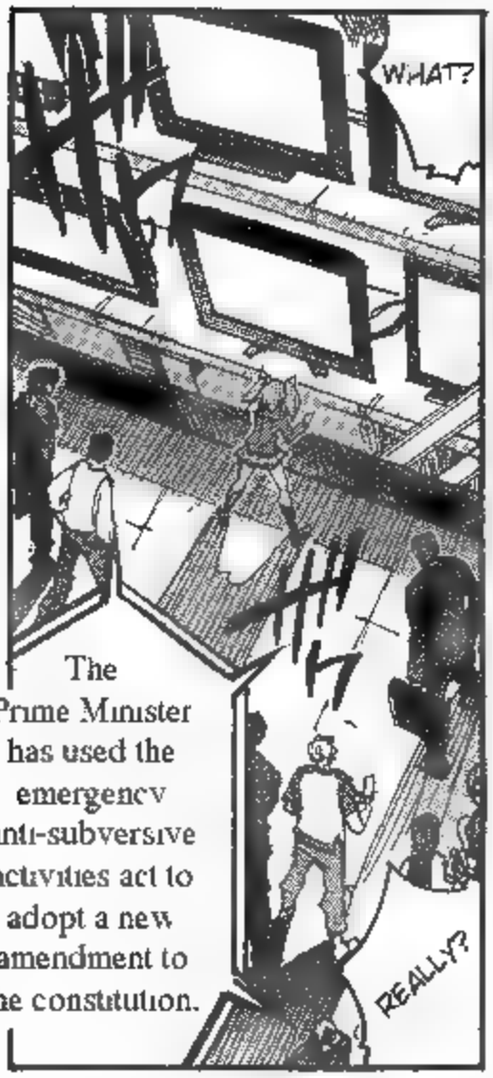
Breaking News!!



The Prime Minister has used the emergency anti-subversive activities act to adopt a new amendment to the constitution.

The explosion in Tokyo has been revealed to be the work of Needlesses who have entered illegally.

I repeat, Needlesses have broken into the City!

Up until now, the government has not admitted the existence of the Black Spots said to exist in a few dozen spots across the county and this is the first time they have been named in an official document.

This amendment has added the phrase, "All residents of the Black Spots are placed under the control of the highly influential person decided on by the City."

This is the second amendment to the constitution after losing the war along with the unpassed Black Spot Revival Act.

They are currently carrying out a simultaneous mission to eliminate the Needlesses!!

WHICH WILL IT BE?
YOU CAN KILL HIM WITH US ...
OR YOU CAN WAIT HERE AND LEAVE IT TO US.

I'll... wait here.
UNDER-STOOD.
.....

DON'T WORRY ABOUT IT.
YOU'RE A KIND GIRL.
IT'S ONLY NATURAL TO FEEL THAT WAY.

Cruz-kun ...

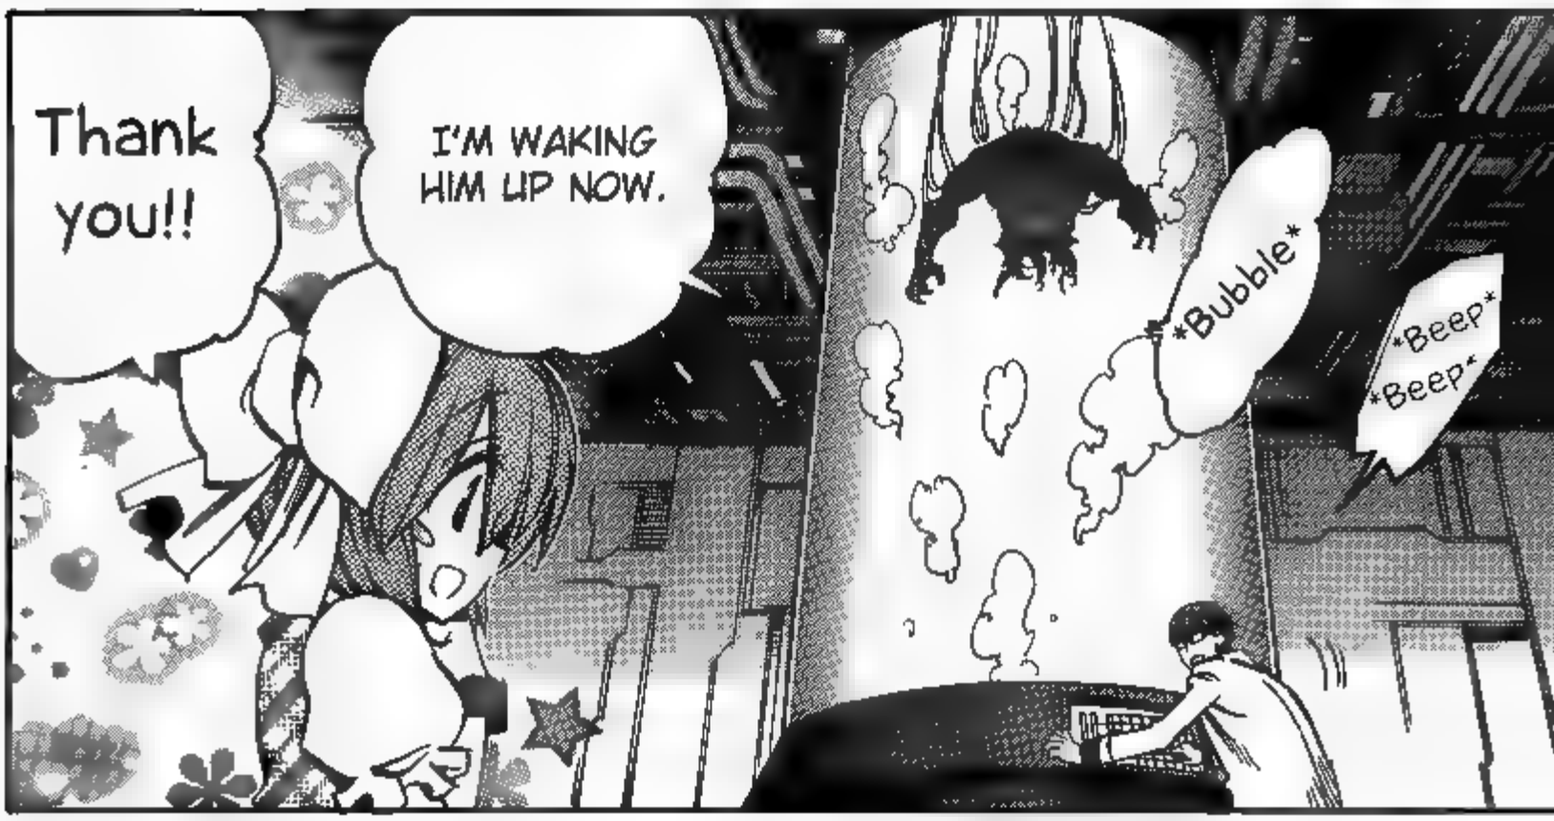
BEFORE YOU WANTED THAT PRIEST'S HEAD!

THE ONE AT THE BLACK SPOT BRANCH WAS AMAZING!!
YES, I ACTUALLY HAVE ALL OF THE GIRLS SQUAD FIGHTS RECORDED!
AND I'M IN THE FAN CLUB!

MIO-CHAN'S STRONG, SO THAT WON'T BE A PROBLEM.
BUT HE PUT UP SUCH A FIGHT WHEN HE CAME HERE. IT'D BE DANGEROUS.

WHY NOT? WE ALREADY MADE A CLONE OF HIM.
BUT WE CAN'T JUST HAND IT OVER...

OKAY, UNDERSTOOD.
Yay!
FINE, I'LL LEAVE THIS TO YOU.
BUT I'M NOT TAKING RESPONSIBILITY IF SOMETHING GOES WRONG.
HMMM .....



Thank you!!
I'M WAKING HIM UP NOW.

That's right!
Those researchers said a clone had been made from Teruyama-sans corpse
Then this one must be working for Smeon!!

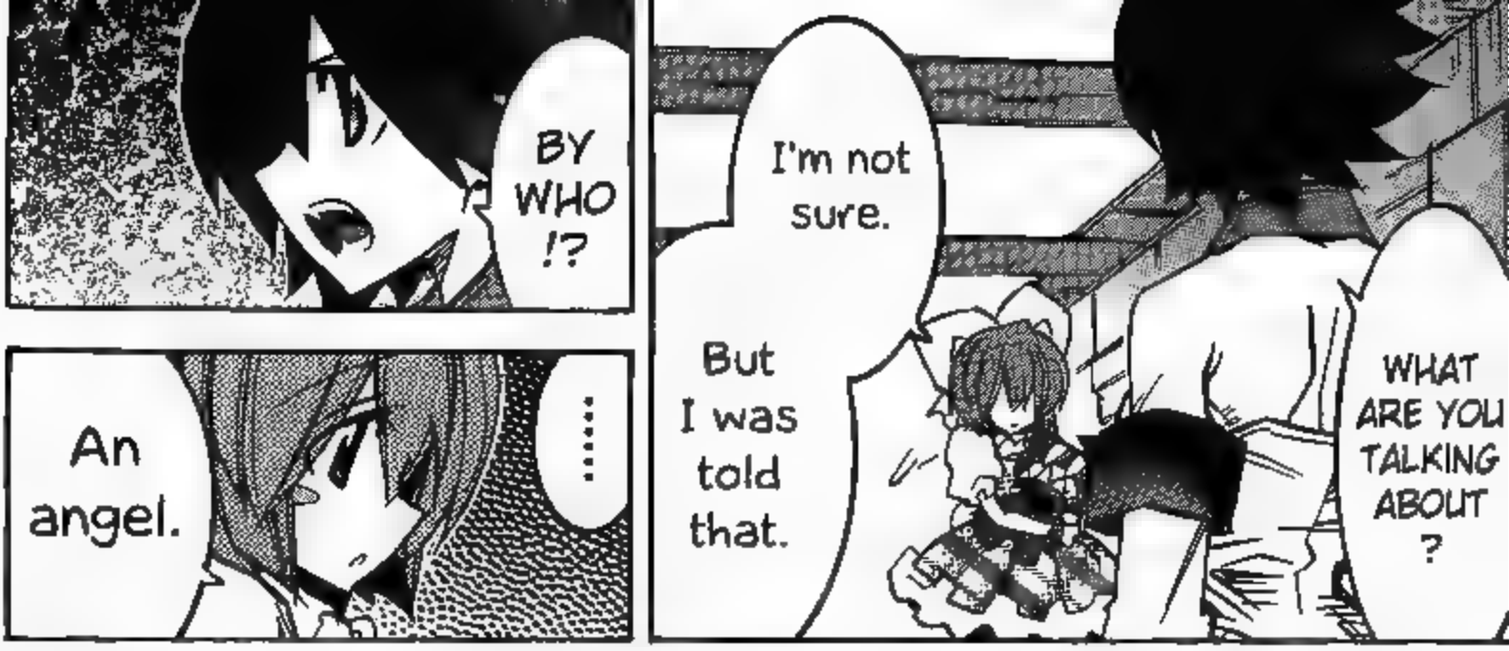
I don't want to fight against you, Setsuna.
But I have a feeling you mustn't kill Cruz-kun.



BY WHO !?
I'm not sure.
But I was told that.

Some-one is trying to protect Cruz-kun.

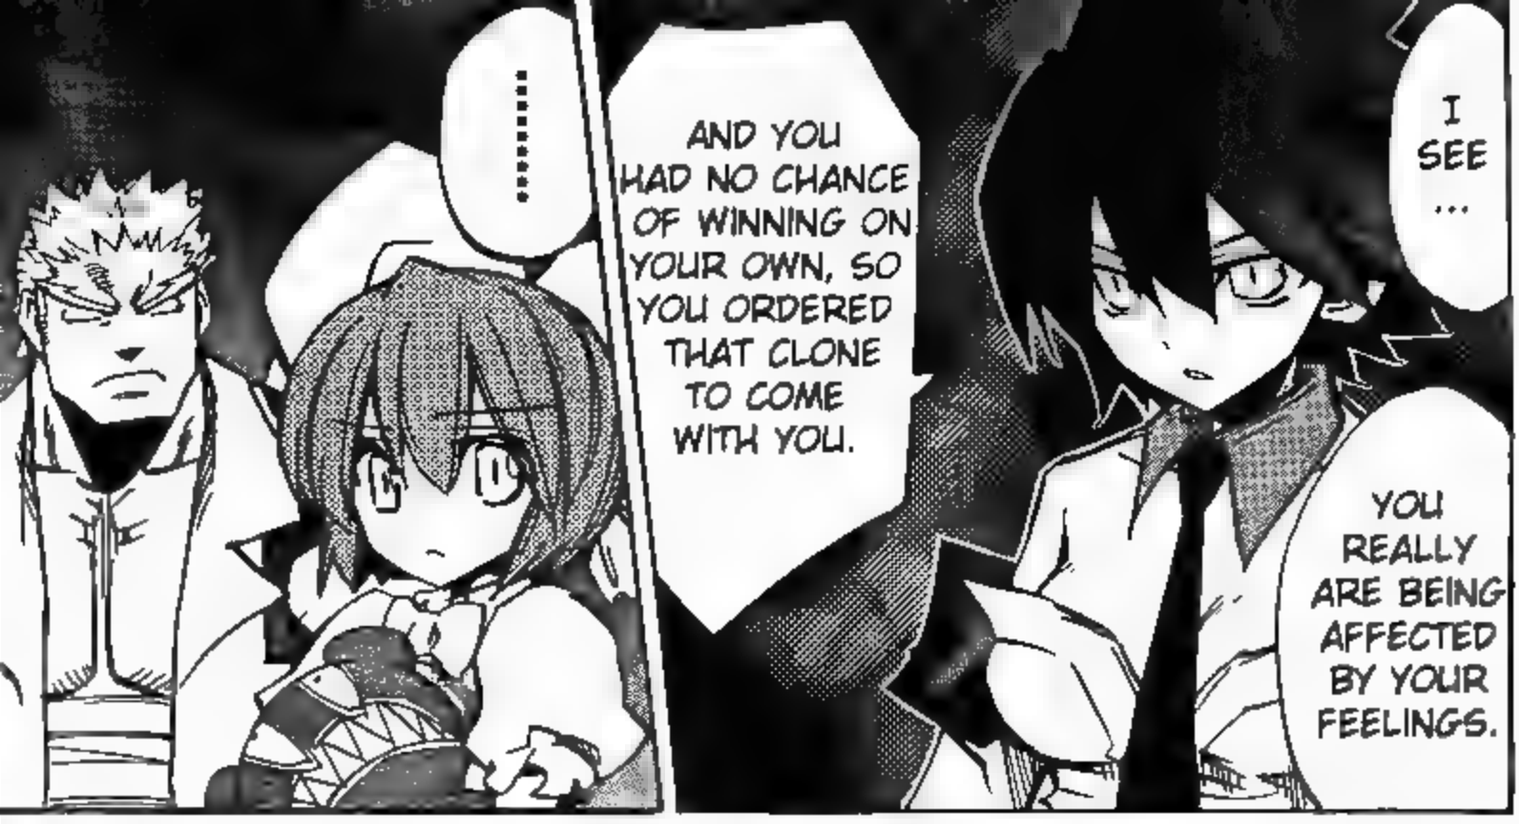
NO.
Let Cruz-kun go to onii-chan !!
Please, Setsuna !!!
THERE'S NO SUCH THING.



I SEE ...
YOU REALLY ARE BEING AFFECTED BY YOUR FEELINGS.

Kafkas clothes are looking pretty good considering a lot of it was pretty much shredded in chapter 97. Just an oversight of the mangaka or is Eden seed even more versatile than expected?
